### “HOPIT POTSKWANIAT”

(Hopi Tribal Consolidated Strategic Plan)

First Plan Adopted - 1995  
Revised - 2001  
Every 4 years  
Next Revision Due - 2005

### GOAL:

To eliminate the abuse of alcohol and drugs by the Hopi People.

To eliminate the physical and emotional abuse and neglect of children and elderly caused by alcohol and substance abuse.

Objectives:

Improve and maintain communication and cooperation among the numerous agencies that have regular contact with Alcohol and Substance Abusers (e.g. Hopi Judicial Branch, Hopi Law Enforcement Services, Hopi Tribal Rangers, Hopi Tribal Prosecutor Office, Hopi Guidance Center, etc)

Recommend changes to Codes and Ordinances to address Alcohol, Illegal Drugs and Substance Abuse.

Promote and facilitate public education and awareness of Hopi Codes, Ordinances, Tribal Departments, Programs and Services regarding Alcohol and Substance Abuse issues.

Continue lobbying for funding to support Tribal and Law Enforcement agencies to address Alcohol Substance Abuse.

Integrate Hopi cultural healing practices for all patients requesting such services and ensure that all health care providers are culturally sensitive.

Combine cultural and contemporary treatment, wellness and fitness principles and practices into a comprehensive preventive program which encourages sobriety.

Build an alcohol and substance abuse treatment and rehabilitation center on Hopi for the Youth and Adult populations

Identify, develop, implement and modify programs and service to meet the needs of those Hopi who suffer from alcohol and substance abuse problems.

Implement a juvenile diversion program in collaboration with judicial services.

Establish early prevention and intervention programs that would eliminate or reduce alcohol and substance abuse.

Establish a foster care center for children

Wayne Taylor, Jr., Chairman  
Executive Order 2004-01

Promote and Implement the Mandates of the Hopi Potoskwaniat Regarding the Prevention of Crime, Alcohol and Substance Abuse, Civil Disturbance, and Vandalism on the Hopi Reservation

To help fulfill the mandates of the Hopi Potoskwaniat, I am directing that the Alcohol and Substance Abuse initiative focus special attention on the following goals:

- 1) develop Government-to-Government relationships with Federal, State, Local, Tribal governments, law enforcement agencies, and villages through collaboration and partnerships, and

- 2) revise and update the Hopi Tribe Law and Order Codes, Ordinances, and other applicable laws, and
- 3) create a strong police presence in schools and villages through uniform and vehicle, alcohol and substance abuse awareness programs, and public relations, and

- 4) expand the use of informational technology to fight crime **and to promote educational summits on the abuses of drugs, alcohol, and other substances**, and
- 5) promote the development of effective law enforcement services and judiciary system.
